Amazing Work, Leadership.....

A client recently dropped off this thank you note

"Amazing work, leadership and guidance on helping with my project. Your job must feel great when someone like me comes in and you lead the way to their (my) success! Thank you!

Thank you for believing in me. I look forward to working with you in the future."

Introduction to Construction Estimating

Online training course will provide learners with skills and knowledge related to estimating practices, and help them understand the importance of an estimate in any construction job.

- ◆ How to produce accurate & professional estimates
- ◆ Site-specific conditions & regulatory requirements
- ◆ How to handle purchasing logistics
- ◆ Labour performance & operations
- ◆ How to assemble bids & meet bid closure deadlines
