

## **Re: Call for Applications for Board of Directors**

As part of our ongoing revitalization process, Lac La Biche Regional Community Development Corporation, operating as Community Futures Lac La Biche, is refreshing the membership on our Board of Directors. As such, we are recruiting new Members and Directors to help guide the activities of Community Futures Lac La Biche going forward. Our goal is to maintain a Board comprised of *members-at-large* representing a variety of stakeholders interested in supporting small business and entrepreneurship from the Lac La Biche Region.

Details as to the role our Directors play on the Board of Directors and the application for recruitment to the Board and Membership are available for pick-up at the office. If you are passionate about entrepreneurship and believe in the importance of small business to the economic well-being of our region, we encourage you to apply. Also, feel free to forward this notice on to your network of business contacts.
